Of 75 items, only 9 can be got from approved firms either because the tenders are lowest or because the articles are superior. The approved firms have also tendered for certain other articles. Whether among them the more favourable tender may be accepted is a point for orders. Also, in case of such firms, whether in the case of those approved firms the tender for articles not tendered for by the others may be accepted in preference to the non-approved firms is a matter for orders.

Again, orders are also necessary as to how the remaining articles have to be obtained, as it will be seen that over 50 articles remain unpurchased

To

SIR,

I have the honour to report that in response to the notice published in the Mysore Gazette calling for tenders for the supply of Printing Materials and Miscelleneous articles for the use of the Government Press during the official year 1920-21, tenders from the marginally noted firms and persons were received within the prescribed time viz., 28th February 1920 and were opened by Mr. B.Puttaiya, Assistant Superintendent as was away in Mysore in connection with the Printing of the University question papers. After careful comparision of the rates for several articles, I beg to recommend the acceptance of the tenders as follows:-

(1) Mr. S.Abdul Aziz Beig, Malur.
(2) " Saliah Mahoed Cassim Sait, Bangalore.
(3) " Mahomed Sheriff, Bangalore Cantonment..
(4) Messrs.T.M.Abdul Gaffoor & Borthers, B.City.
(5) " " Wilson & Co., Madras.
(6) The Vijaya Works Madras.
(7) Messrs.Hajee Abdul Rahiman Sahib & Sons, Bangalore Cantonment.

(1) Mr. S.Abdul Aziz Beig, Malur. (12 items) Nos. 1,4,7,8,9,15, 20,30,32,41,45,and 47

(2) Mr. Mahomed Sheriff, Bangalore Cantonment.(15 items) Nos.3,5 14,16,17,18,19,23,24,25,28,29,38,43 and 50.

(3) Messrs. T.M.Abdul Gaffoor & Brothers, Bangalore City.(33 items) Nos. 2,6,10,11,12,13,21,22,26,27,31,33,34,35,36,37,40,42,44,46, 49,54,55,57,58,59,60,61,62,63,64,66 and 68.

(4) Messrs. Wilson & Co., Madras. (4 items) Nos.48.51,53 and 56

The Vijaya Works, Madras. (5 items) Nos. 39,65,67,70 and 73.

In this connection I beg to point out that the samples of cotton waste, Binder's Calico, Glue, and black printing ink, items Nos 4, 18, 32. and 53 submitted by Messrs. T.M.Abdul Gaffoor & Brothers are not good. Hence item Nos.4 and 32 are recommended to Mr. S.Abdul Aziz Beig, item No. 18 to Mr. Mohemed Sheriff and item No. 53 to Messrs. Wilson & Co., Madras.

3) As for item Nos. 52,69,71 and 72, Cast Iron Furniture, Machine Cotton, 1½ point lead and 1 point lead there is no need for these articles for the present; hence these four items will have to be bought from some Manufaturers or Foreign Firms when necessity arises for which I request sanction of Government.

4) Messrs. Hajee Abdul Rahiman Sahib & Sons, have not furnished earnest deposit money along with their tender as required by rules and their tender is therefore not recommended. Mr. Saliah Mahomed Cassim, Sait's rates are the highest with the exception of item Nos. 35 and 48 Antimony and Ruling Blue Black Ink Powder, but for the former no sample was sent and for the latter the sample was very inferio to that of Wilson's, hence these items are recommended to Messrs. T.A.Abdul Gaffoor & Brothers and Wilson & Co., respectively.

5) A comparative statement showing the several rates quoted by the several tenderers are herewith submitted. Together with 7. Letter in original.

To

The Superintendent Printing Bureau,

Sir,

In the matter of the supply of articles and materials required at the Government Press and the Stationery Depot I am directed to state, for observation that it may not be possible for any tenderer to supply all the articles specified in the tender notice. I am therefore to suggest

that in future when calling
for tenders, the articles required
under ~~specified~~ ~~contract~~ ~~groups~~ ~~with articles under each head~~, Each group forming a group
will be ~~grouped~~ ~~as in accordance~~, A list and tabulated statement showing exclusive of the articles included in them are (names)
This ~~will be~~ arrangement will be made
to move convenient for the
tenderers to take up one or
more groups, and supply
all the articles in those groups,
than if they are asked to
tender for the whole or for
none at all.

I am accordingly to request that in the light of the above instructions fresh tenders may be called for and submitted along with your recommendations for the orders of Govt.
